THE LAW SHOULD BE CHANGED.

The arbitrary removal for no assigned changing the law, which gives the Fac- ability. tory Inspector power to appoint and reposed opportunity to be heard in their own defense.

The original bill under which woman Governor of the State, and that upon written charges and only after the deputy inspector had had a hearing. By some changed into a seemingly harmless little sentence, which made the Factory Inspector absolute, and placed the reputation of his subordinates at his mercy.

This is contrary to the spirit of our State laws, and the first duty of the new Legislature should be to make a change.

THE CRUISER NEW YORK.

They do well at Philadelphia to-day to make the launching of the big new cruiser New York an event of more than ordinary ceremony. The ship will be, when fully completed and equipped, the finest one yet added to our new navy. She represents all that is most modern in construction and in proposed outfit. She will be a credit to the Government and an honor to the imperial State and city whose name she bears.
